

Welcome to our 111th newsletter. As many of you would know by now, Errol has taken a step back from all of his responsibilities for our group including editor of the newsletter. Errol, with Wilma by his side has dedicated untold hours over the last 25 years and 100 newsletters, to nights at the Murrah, to annual Fun In The Sun days and much more behind the scenes that any of us will ever know. We would like to take this opportunity to thank them both and look forward to seeing them at all future events. This of course has left a big gap, and it has taken a team of us to keep it all running. We look forward to working as a team and meeting and catching up with you all.

The summer has been a mixed bag of weather and attendances at the beach. Good numbers during the holiday period. A lot of different (unknown) faces. This trend is still happening. Some weekends only 5 people, other weekends up to 50. This includes Couples, Families and Singles which we try to hand out newsletter when appropriate. So many new people attending is good for our beach as well as the local economy.

Mention must be made about the work done by those of our group who are able to do so in clearing and minor maintenance on both tracks. Participation in Clean Up Australia Day, only 1/2 a bag this year. We thank those of the team who participated for a job well done.

Our first event for the year and of course our first event since Fun In The Sun last year, (due to, yes you know it, Covid19!!) was our dinner at the Murrah on 6th February. This was another fun night with many of the regulars and a few newbies which we always love to have. The dinner for summer as usual was the barbeque (cooked by our naked boys, always entertaining) and afterwards a card game for some and a game of quoits for others, of course the most important ingredient LAUGHTER!! The next morning is a hot cooked breakfast and with plenty of leftovers for those heading to the beach. Our next dinner is a roast on the 24th April, details at the end of the newsletter.

Our Fun In The Sun day was on Sunday, 7th March and there were about 80 people in attendance and we had in place a system to be COVID safe. The team stepped up and worked together to make it a great day. The weather wasn't too bad with most of the day sunny starting at 10am. Obviously it was our first as a team and we are sure there are things and events that can be tweaked for the future. There is talk of new events including a suggestion for a frisbee competition. There was a lot of winging it on the day but it was friendly and warm day. The day was attended by members of the ACT Nudist Club, River Island and Cobblers' Beach on the Central Coast, locals, as well as people from other states. We also got lots of advice for the day and the future from other club members in attendance. We had the addition of the golden horn

this year, think it might be a regular as well. We love the fact that we have a legal nude beach in our area and we can host such events and boost the local economy. A special thank you to the Bermagui Surf Club and their members for volunteering. The current was quite strong and it was good to know we had them there to keep us safe on the day. Thanks to all those who helped out, participated or just turned up again for the most important things - FUN and LAUGHTER.

As Errol always added a couple of jokes and we know many of you look forward to this, here they are; a couple of "one liners". Please feel free to submit your jokes for our next issue.

If I had a dollar for every girl that found me unattractive, they'd eventually find me attractive.

If at first you don't succeed, skydiving is not for you.

We hope you enjoyed and were informed by our first newsletter and look forward to any feedback and suggestions you may have for future editions.

Yours in Nudism
The team at ABLG

Next Dinner, "The Autumn Leaves Dinner" will be at the Murrah Hall is on 24th April, 2021. Contact Ian and Thelma at least a week before on 6493 2300. Price is \$30 a head which includes Dinner, Breakfast and accommodation at the Murrah.
