NEWSLETTER OF THE  
ARMANDS BEACH LEISURE GROUP  
No. 104 AUTUMN 2019

---

Our High Summer dinner was very well attended and the weather was also kind to us with some going to the beach on both Saturday and Sunday. The numbers for the meal were not known until Saturday morning and it was great that those ordering the food guessed just right with enough for Saturday night, Sunday breakfast plus leftovers for a picnic lunch for the people that went to Armands Beach for the day. It was a terrific event for all, playing cards and just socialising with lots of laughter. We even had a discussion on the Fun in the Sun Day arrangements. The only downside was the filthy condition that the hall was left in by the previous people that had hired it. The state of the oven was disgusting with cooked food left in it. The hall committee was advised and our disappointment expressed about the condition of the venue.

Then along came our Fun in the Sun Day on Sunday 10th March. What a fabulous day of fun and frolicking! The weather was perfect, the crowd of about 100 was up slightly on last year although there were more young people with children attending this year. We even had prizes for some events for the children. There are too many winners to list here but some need to be mentioned. Fishing competition: Anita and Alan; brownest bum lady: Sharon; brownest bum man: Brett; and Mr and Mrs Armands Beach: Barry and Helen. The winning team for the day was the River Island gang, though the ACT Nudist Club gave them a run for their money. Congratulations to all who took part in the many activities of the day. Again this year we had Bermagui Surf Life Saving Club keeping us water safe. Thank you Andrew and Kai, people appreciated your attendance. A run around with the hat raised \$324.85 for the surf club.

The River Island group who make it their annual holiday and spend a lot of money in the town during their stay are much appreciated. The same applies to the ACT Nudist Club whose numbers are increasing each year.

Thanks to everyone who came along to our Fun in the Sun Day and had positive comments on what a great a time they had with us.

We cannot forget our sponsors – TAN magazine, Harbourview Motel, Bermagui Pharmacy, ACT Nudist Club, River Island, Jim for making many of the trophies for the events, and of course our full time sponsor, Rhonda and Jim of 777 Supermarket & Deli, for their generosity. We must also remember Katrina and Colin from River Island and wish them well as it was Col's suggestion that we hold a fun day. Then there is our event MC, Ann, who once again excelled at the task given to her.

Thanks to everyone who helped in some way to make a successful event.

As we have no guarantee there will be a Bermagui Seaside Fair next year, our Fun in the Sun Day will be held on Sunday 8th March 2020, the second Sunday in March. This has been decided so that all our visitors can book their accommodation ahead of time.

It was a school in the farming district, and one morning Johnny came late.

“Why are you late today?” the teacher asked.

“This morning I had to bring the bull out to the cow, teacher.”

“That’s no excuse,” said the teacher. “Couldn’t your father do that?”

“No, teacher,” said Johnny. “You’ve got to have a bull.”

Autumn Leaves is our next dinner at the Murrah Hall on Saturday 27th April. This will be a camp oven dinner which we all enjoy. We will be staying overnight so bring your bedding plus your own choice of refreshments. Maximum cost is \$30 for dinner and breakfast plus something to eat for those beach lovers. It will be less if we have a good roll up. Please let us know if you are coming or not by Wednesday 24th April. This may be your last chance this season to have dinner and go to the beach the next day. After this dinner we will be having a winter recess until 5th October. No doubt some of us will have a card night over winter.

The year closes as a great one for Armands Beach, with so many great days and such a wonderful Fun in the Sun Day.

Yours in nudism,

*Errol*
